

BUSINESS PROFILE

"FOR EVERY MEAL, EVERY DAY"

BACKGROUND

Arun Paper Plates (17th May 2025) is one of the leading manufacturers of customised paper pulp moulded components with the initial stage of our business.

PROJECT GOALS

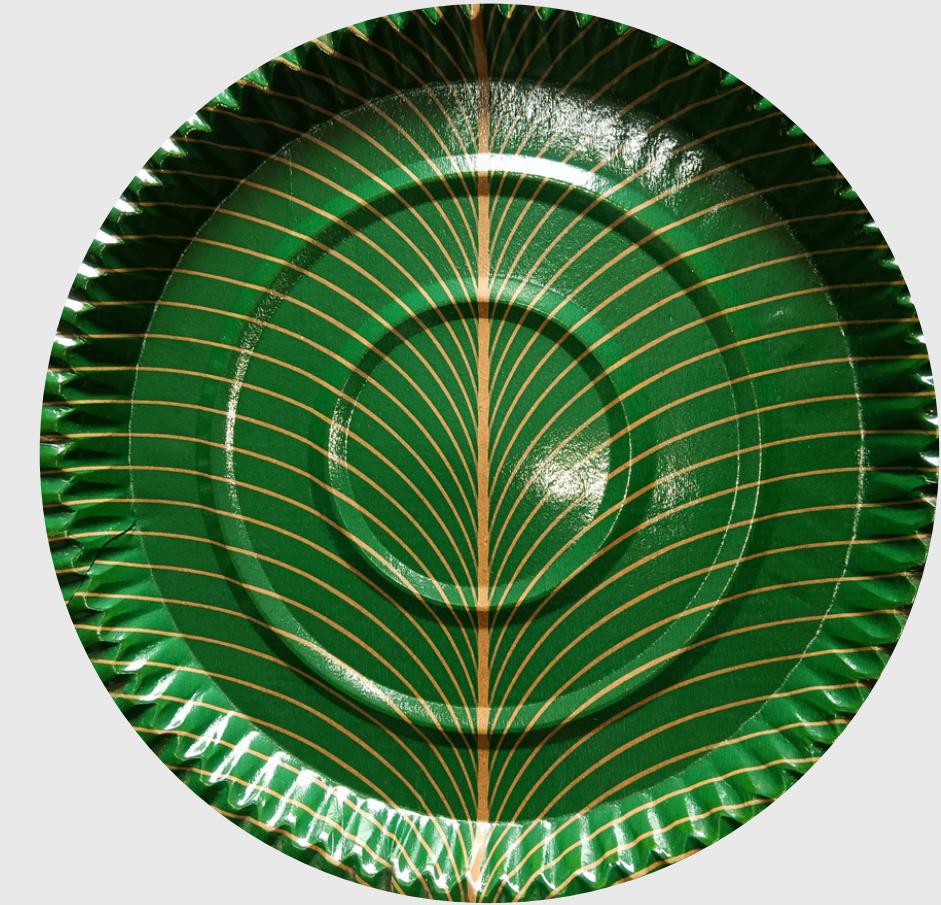

- 1.** To be our customer's first choice when selecting a world class manufacturer of plastic parts, assemblies and products, and the provider of related disposals.

 - 2.** To embrace a propensity for satisfying the needs and expectations of our customers by supplying on time, high quality products and services with competitive pricing and consistent value.
-

OUR QUALITY POLICY

We, at Arun Paper Plates are committed to render error free and on time manufacturing service to our business association through continuous improvement in processes which will satisfy them in all aspects and will exceed their expectations from us.
